

# Eat @ Percy's

Percy's Bar and Kitchen was named after Percy Simpson. Canadian born, he arrived in New South Wales in 1822. He was a surveyor, engineer and administrator. A man of many talents, he was granted employment under Governor Brisbane to become commandant of an explorative agricultural settlement for 'educated convicts' in Central West of NSW. We at Percy's inherited his exploratory nature and provide a menu that explores a diversity of cuisines using as much local produce as possible. A light, fresh lunch; leading to a tapas style sharing menu for dinner, we are delighted to offer you these delicious dishes.
